Khmer Times: Feb 17, 2021

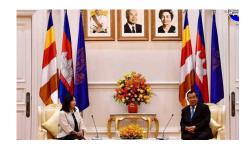

The Ministry of Agriculture is updating the national rice map to boost the Kingdom's quality and quantity of rice production by providing detailed data about geographic areas. Agriculture Minister Veng Sakhon said recently on his Facebook page that it is necessary to update both the classification and the eco-agricultural map of the rice-growing areas in Cambodia as a basis for building an orientation plan on the implementation of policies and development for rice (Read more)

Phnom Penh Post: Feb17, 2021

Prime Minister Hun Sen on February 17 called on the Philippines to invest in Cambodia's rice sector, suggesting they export the commodity back home and to the rest of the world. He made the plea during a courtesy call paid by newly-minted Philippine ambassador to Cambodia Maria Amelita C Aquino at the Peace Palace in Phnom Penh.

"The Philippines can invest in Cambodia by financing rice millers, building paddy warehouses and establishing a network to buy paddy for stock and for export to the Philippines," he said, (Read more)

Phnom Penh Post: Feb 17, 2021

Minister of Agriculture, Forestry and Fisheries Veng Sakhon on February 16 asked the European Chamber of Commerce in Cambodia (EuroCham) to motivate European companies to ramp up orders of Cambodian agricultural products. This comes in light of unremarkable export figures from the sector, even as the government steps up promotion of the products. The minister's proposal was made during a meeting with newly appointed EuroCham president Tassilo Brinzer, who led a delegation to the ministry. (Read more)

Khmer Times: Feb 22, 2021

Cambodian rice exports to international markets in the first quarter of the year are not expected to increase, according to Cambodia Rice Federation (CRF) president, Song Saran. In January, Cambodia exported 34,273 tonnes of rice, valued at \$30.76 million, to 28 countries. This represented a year-on-year decrease of 32.07 percent. Exports in February and March will continue to drop, said Song Saran. "Our rice exports this month and in March will drop further because of global shipping problems" he said, adding that shipping is the main challenge for the sector currently. (Read more)
