Vietnam Plus: December 01, 202

Phnom Penh (VNA) - Cambodia has exported more than 600,000 tonnes of milled rice in the first 11 months of the year, up 16 percent year on year, according to Minister of Agriculture, Forestry and Fisheries (MAFF) Veng Sakhon. Of the total, more than 481,000 tonnes of the rice exports was fragrant rice, and 113,703 tonnes was milled rice of various kinds, while around 6,151 tonnes was parboiled rice. "There are more than 60 countries that have ordered rice from Cambodia in the first 11 months, including 24 out of 28 countries in the European Union, China, six ASEAN member countries and 29 from other continents," Sakhon said. Cambodia is expected to export around 750,000 tonnes of milled rice by the end of the year, according to a senior executive at the Cambodia Rice Federation (CRF). CRF's president Song Saran said demand for Cambodian rice in the global market is increasing and the CRF expected exports to reach 800,000 tonnes this year. However, because there was drought, and flash-flooding in September, the figure may change. (Read more)

Phnom Penh Post: December 02, 2020

The Agricultural and Rural Development Bank of Cambodia (ARDB) has called on authorities and volunteers to assist farmers in rice harvest. In its November 29 appeal, the bank said while some farmers are collecting aromatic rice and jasmine rice in time, farmers in other areas face labour and equipment shortages leading to a fall in harvest collection and subsequent decline in rice prices. According to the ARDB, farmers lack combine harvesters due to demand. The situation has led to a three-fold harvester price increase over last year. (Read more)
