(Rice deals in riel and yuan?)

Khmer Times: 18 June 2020

The Cambodia Rice Federation (CRF) and the National Bank of Cambodia (NBC) discussed ways to use the Chinese Yuan and the riel in rice exports between China and Cambodia. CRF vice president Chan Sokheang told Khmer Times the CRF

also talked with the representative of the NBC to promote the local currency for domestic consumption and transactions. He said all the transactions with the rice millers and farmers will use riel.

All rice exporters may soon have an alternative choice of payment either in US dollars (the international currency of trade) or yuan. However, Sokheang said there were barriers to using the yuan for cross-border transactions previously, therefore, the discussions with the NBC were to resolve.... (Read more)

(Cambodia on track to export 1 million tonnes of rice in 2020)

New Straits Times: 21 June 2020

CAMBODIA could export a record one million tonnes of rice this year, buoyed by sustained demand stemming from Covid-19 uncertainty.

It's Ministry of Agriculture, Forestry and Fisheries announced that the country had exported 350,000 tonnes of rice in the first five months of the year, to more than 60 countries. Senior ministry official Ngin Chhay hopes rice exports may near the one million tonne mark if orders retain their momentum, or at least exceed 800,000 tonnes, reports the Phnom Penh Post.(Read more)

(Covid-19 demand for milled rice could mean record exports)

Phnom Penh Post: 18 June 2020

Cambodia could export between 800,000 and one million tonnes of milled rice this year, buoyed by sustained demand stemming from Covid-19 uncertainty, Ministry of Agriculture,

Forestry and Fisheries senior official Ngin Chhay said on Wednesday. Chhay, the director-general of the ministry's General Directorate of Agriculture, told a press conference that the Kingdom exported 350,000 tonnes of rice in the first five months of the year, to more than 60 countries. He said: "I hope that this year, according to estimates, rice exports may near the one million tonne mark if the orders retain their momentum, or at least exceed 800,000 tonnes." (Read more)

(Rice exports set to skyrocket, renewable energy in high demand: trade minister)

Vietnam News: 16 June 2020

HÀ NỘI — Việt Nam may take a global lead in rice exports for the year 2020, said Minister of Industry and Trade Trần Tuấn Anh in a report to the National Assembly on Monday.

Speaking to the NA, the minister said as countries were trying to raise food stockpiles due to the COVID-19 pandemic, demand for Vietnamese rice has been on the rise, (Read more)

ឥណ្ឌា (India)

Reuters: 18 June 2020

MUMBAI (Reuters) - India's rice production is likely to surge to a record high as farmers are expanding the area under paddy because of good monsoon rains and after the government raised the price at which it will buy the

Higher output by the world's biggest rice exporter could dampen domestic prices and make exports more competitive, compensating for lower supplies from rivals Thailand and Vietnam. (Read more)

(RPT-Asia Rice-India prices hit over 2-month low on weaker rupee, muted demand)

Reuters: 19 June 2020

BENGALURU, June 18 (Reuters) - Indian export rice prices fell to their lowest in more than two months this week due to a weaker rupee and muted demand, while mounting supplies from an ongoing harvest weighed on Vietnamese rates.

Top exporter India saw rates for its 5% broken parboiled variety RI-INBKN5-P1 fall to \$366-\$372 per tonne, the lowest since March 26, from \$368-\$373 last week. The rupee has fallen more than 6% this year, prompting exporters to cut rates. "Even after lowering prices, there is no improvement in demand," said an exporter based at Kakinada in the southern state of Andhra Pradesh. (Read more)

(Rice price scheme renewed)

(Thailand)

Bangkok Post: 19 June 2020

The National Rice Policy Committee approved in principle on Thursday the rice price guarantee scheme for the 2020/21 crop year, which is expected to use a budget of 85.2 billion baht.

Of the 85.2 billion baht, 23.5 billion is allotted to price guarantees, with 56 billion allocated to support management and quality development costs for farmers, and 5.72 billion subsidising the interest rate for loans extended to stabilise domestic rice prices. (Read more)
